As preparations for **ICoSTEE 2022** are underway, we would like to inform you that the International Conference on Science, Technology, Engineering and Economy will be held on the **24th of March 2022** in a hybrid mode (on site & online).

The **Faculty of Engineering will celebrate its 60th anniversary**, whereas the University of Szeged will commemorate the 440th anniversary of its foundation and the **100th anniversary** of being established in Szeged.

ICOSTEE 2022 aims to connect scientists, engineers and stakeholders of different sectors and disciplines interested in food science, food technology, bio- and environmental engineering, mechatronics, agricultural economics and many other fields in order to **celebrate** with our **friends and future partners**.

The University of Szeged is **the highest ranking Hungarian university** (QS Ranking) in the sunniest city of Hungary with 12 faculties. The Faculty of Engineering educates future engineers in the field of food science and technology, mechatronics and mechanical engineering.

The event will be **open to all contributing authors** (and online attendees without contribution) **with no registration fee**. **Registration is required.**

Abstract submission deadline: 31st of January 2022

Abstract acceptance notification: 15th of February 2022

Decision on the full paper invitation: 28th of February 2022

The one-day event will start with a plenary session with forward-looking presentations and be followed by parallel sessions covering different disciplines. Multidisciplinary presentations are also welcome. **All abstracts will be published electronically in a book of abstracts with an ISBN number.** Selected contributions will be invited for the full paper submission ([Analecta Technica Szegediensia](#), [Progress in Agricultural Engineering](#), [Analecta Alimentaria Sapientia](#), [Acta Technica Corviniensis](#)) and authors will be offered the opportunity for written full text publications. Young researchers will have the opportunity to be awarded for the best paper.
