

**INTERNATIONAL CONFERENCE ON SCIENCE AND TECHNIQUE BASED ON APPLIED  
AND FUNDAMENTAL RESEARCH (ICoSTAF) 2014**

25 April 2014

Szeged, Hungary

\*\*\*

**CALL FOR ABSTRACTS AND REGISTRATION**

**Dear Colleagues,**

the Organizing Committee has the pleasure to invite you to the next International Conference on Science and Technique based on Applied and Fundamental Research:

**ICoSTAF2014**

organized by the Faculty of Engineering and the Regional Committee of the Hungarian Academy of Sciences.

The conference will take place in Building A of the Faculty of Engineering, at Mars tér 7, Szeged. Both oral and poster presentations are welcome. The official language of the conference is English.

Important deadlines:

- 10 January 2014. Submission of the registration form and one-page abstract. Registration and abstract forms are enclosed.
- 24 January 2014. Confirmation of registration and acceptance of abstracts.
- 14 February 2014. Submission of conference paper.
- 21 March 2014. Payment by bank transfer. (Pro forma invoice will be sent on request).
- 11 April, 2014. Final program of the conference.

Please, adhere to the deadlines given above. Selected conference papers will be presented in Review of Faculty of Engineering (Analecta Technica Szegedinensia); Journal of Engineering, Annals of Faculty of Engineering, Hunadoera; Acta Biologica Szegediensis, and related journals.

Please, prepare your oral presentations to maximum 15 minutes length (discussion included), and your poster to maximum A1 size (portrait format). Registered participants can present one poster and/or oral presentation.

Conference fees:                      Researchers or employees: 100 EUR  
   PhD students: 70 EUR  
   Accompanying persons: 50 EUR

Conference fee includes participation at the lectures (except accompanying persons), refreshments, lunch, and the conference edition of Review of Faculty of Engineering (Analecta Technica Szegedinensia) on CD.
